Itinerary:

9:15 am

Meeting point and check in will be on Via Curtatone n.9, in front of Cafe' Curtatone, a few minutes walk from the main Florence train station. Departure by 9:30am. In our comfortable air-conditioned 8-seats minivan you will be taken to the heart of the Chianti region where some of the most famous wines are produced.

11:00 am

After a basic short orientation about the mountain bikes or e-bikes and their driving controls, the excursion begins. We'll ride along scenic roads, surrounded by beautiful vineyards and olive groves, with stops along our way for amazing photo ops. We'll cruise over a mixed path: paved countryroads and dirt roads used by farmers. Fun is guaranteed!

11:45 pm

We'll visit the castle of San Gimignano with its impressive medieval towers and we'll have the chance to taste the famous world champion Dondoli gelato. At the 1300 Museum our guides will introduce the group to the history of the region with the help of a fantastic ceramic model reproducing the city in the year 1300. Upon request you will have free time to walk around and enjoy the atmosphere of this stunning place.

12:30 pm

We'll ba back on our bikes for the second and longer part of the excursion.

02:00 pm

We'll enjoy a typical tuscan lunch combined to a wine tasting class at a local Chianti winery. The wine expert will present their list of wines to be paired with a three courses traditional meal featuring "antipasti toscani" (salami, pecorino cheese and extravirgin olive oil bruschetta), "ribollita" soup (soup made of fresh vegetables and bread) and "lasagna" (sliced pasta layered with parmesan, ragu and besciamella) covered with a nice drop of truffle oil. At the winery you will have the opportunity to purchase and ship tuscan wines.

04:00 pm

It's time to come back to Florence. We'll be at the same meeting place near by the Santa Maria Novella train station around 5:00 pm.

Note:

All scheduled times are an approximation and can vary slightly based on situations out of our control (traffic, weather, etc.)

Full Description:

Biking through the breathtaking Chianti wine region with Fun In Tuscany might just be the ultimate tuscan bike experience. Such a special location demands a superior bike tour, which is what we have in store for our fortunate guests. Our passion is good biking, good wine and (why not?) good food.

We'll be riding on paved and not paved roads through vineyards, olive groves, oak woods and rolling hills. Two and a half hours mountain bike excursion with great photo ops and panoramic views. We'll reach the stunning medieval town of San Gimignano, famous all over the world for its imposing original 12th century towers. In this village we'll have the opportunity to taste the Dondoli world champion gelato (a must do!) and reach the fort on top of the hill overlooking the valleys around. Back on the bikes, we'll reach a local winery for a typical tuscan lunch combined to a superfun wine tasting class. We'll be back in Florence at about 5.00 pm. Kids and families are more than welcome!
