Highlights:

Tuscany - Tour will takes place in the heart of Tuscany, in the region between Rapolano Terme (30 Km E from Siena) and Monteriggioni (25 Km N-W from Siena). This area so rich of history and tradition, surrounded by centuries-old woods of holm-oak interspersed with rolling vineyards, will

impress you with its echanting beauty.

Monteriggioni - Located in the most ancient part of the Chianti region called "Classico", in the heart of Tuscany, Monteriggioni is a charming medieval castle built by the Republic of Siena in 1213 to defend the border with the hostile Republic of Florence and take control over Via Francigena, the pilgrims' way leading to Rome, which already since the 13th century was following more or less the same track of the modern Via Cassia. Monteriggioni is also famous to be mentioned by the poet Dante Alighieri in his "Divine Comedy": an inscription recalling Dante's words can be seen on a side of the north gateway of the castle.

Thermal Springs - Set in breathtaking scenery of the Tuscan landscape, 30 Km East from Siena, the rich waters of Rapolano thermal pools offer you the chance to unwind and regenerate yourself in a truly magical ambience. The precious spring waters which bubble up from the ground at San Giovanni have notable therapeutic properties, recognised by the Italian Ministry of Health. They are particularly effective in dealing with complaints relating to articulation of the joints, the respiratory system, dermatological ailments, and muscular problems. Not just a relaxingly luxurious day out, Rapolano springs are also a fountain and health and wellbeing. The San Giovanni resort offers a unique opportunity to enjoy a day in relax with thermal pools, park, garden and restaurant.

Chianti Classico - The Chianti Classico territory covers in part the province of Siena, in part the province of Florence. The region extends for 71,800 hectares (177,500 acres) and includes the entire territories of the municipalities of Castellina in Chianti, Gaiole in Chianti, Greve in Chianti and Radda in Chianti and part of those of Barberino Val d'Elsa, Castelnuovo Berardenga, Poggibonsi, San Casciano Val di Pesa and Tavarnelle Val di Pesa. The characteristics of the climate, terrains and altitudes, which are unfavorable for most crops, have made Chianti Classico a region that excels in the production of premium wines.

Tuscan Lunch - After a few relaxing hours in the thermal complex of Rapolano Terme we'll drive to the castle of Monteriggioni. We'll enjoy a typical tuscan lunch at a local restaurant located inside the castle. A three course delicious meal will impress you with its genuine flavors. We'll start with fresh tomato bruschettas and porcini mushrooms crostini, followed by pappardelle with wild boar ragu and saccottini stuffed with pear and topped with pistachio sauce. As dessert you will have to try our typical tuscan almond cookies "drowned" into the Vin Santo! Top of pleasure!
