9:15 am - Meeting point and check in will be on Via Curtatone n.9, in front of Cafe' Curtatone, a few minutes walk from the main Florence train station. Departure by 9:30am. In our comfortable air-conditioned 8-seats minivan you will be taken to the heart of the Chianti region where some of the most famous wines are produced.

10:30 am - After a basic orientation, there will be a driving test that will help our guides deciding if all the participants will be able to drive safely their own vespa. The ones that will not pass this test and those who had already decided not to drive, will be passengers with our guides. Couples may decide to share a vespa. This is possible only in the case the driver is well experienced. Childrens and minors in general, will partecipate as passengers. We have a very comfortable Tuk Tuk (Ape Calessino) at their disposal. For security reasons all decisions will be taken by our guides that have the responsability of the vespa tour.

11:00 pm - We'll ride along scenic roads on the beautiful rolling hills of the tuscan countryside. We'll have a few stops along our way with great photo ops. Our informative guides will introduce the participants to the history of the San Gimignano area and will entertain the group. They will also provide information about the wine and olive oil making and other relevant features of the region.

1:00 pm - On our way we'll stop for a guided visit to the medieval town of San Gimignano, worldwide known for its impressive medieval towers. We'll visit the world champion Dondoli gelato and the 1300 Museum, then we'll reach the top of the hill to enjoy the magic panoramic view of the Chianti region.

2:00 pm - Back to the farm, we'll be ready to enjoy a typical tuscan lunch combined to a wine tasting class. The wine expert will present a list of local produced wines to be paired with a three courses traditional meal featuring antipasti toscani, ribollita soup and lasagna covered with a nice drop of truffle oil. At the winery you will have the opportunity to purchase and ship tuscan wines.

4:00 pm - It's time to come back to Florence. We'll be at the same meeting place near by the Santa Maria Novella train station around 5:00 pm.
